If your horse needs emergency care and we cannot contact you, please list an authorized agent who can make decisions for your animal on your behalf.

AUTHORIZED AGENT: \_\_\_\_\_ PHONE: (\_\_\_\_\_) \_\_\_\_\_

It is important for us to know the vaccination history of your animal. This will help us accurately set up due dates for your next set of vaccinations. Please mark the known vaccinations received this past year with an "X" in the box and fill in the date given. Include all vaccinations given within the last 12 months **prior** to us seeing your animal.

### CORE VACCINATIONS:

East/West Encephalomyelitis and Tetanus (EWT) Date: \_\_\_\_\_

West Nile Virus (WNV) Date: \_\_\_\_\_

Rabies\* Date: \_\_\_\_\_

I do not know the vaccination history of my horse. Please start over with initial vaccinations and booster shots in a month.

I give my own vaccinations.

Last date of Coggins Test (EIA): \_\_\_\_\_

### RISK-BASED VACCINATIONS:
